
APPLICATION FORM for the EFFICIENCY USER FORUM

1. Information about the applicant

Name of the Public Transport Authority or Company:

Legal address:

Street name & number:

City:

Country:

Postal code:

Website:

Contact person:

Family name:

First name:

Title:

Position in organisation:

Telephone:

Email:

2. Evaluation Criterion 1:

Motivation and matching of strategies local/regional commitment for the participation in the EfficienCE User Forum

Please describe briefly your authority's / company's background, policy context and your potential "energy efficient" pilot project or approach, as well as your motivation to participate in the EfficienCE User Forum. If you plan to involve and mobilize stakeholders through their participation in this knowledge exchange programme, please describe briefly who will be addressed and how this involvement shall be realised. (max. 1000 words; if available, please attach excerpts (such as SUMP, SEAP, e-mobility strategy, public transport development strategy) in Annex section; in any CE language)

3. Evaluation Criterion 2:

Degree of conformity to EfficienCE activities and potential for replication

Which of the EfficienCE pilot(s) would you like to address? (multiple selection possible)

- | | | |
|------------------|--|--------------------------|
| Vienna
(AT): | Implementation of photovoltaic integration at metro station | <input type="checkbox"/> |
| Gdynia
(PL): | Using recuperated braking energy and renewable energy sources to power the trolley depot | <input type="checkbox"/> |
| Maribor
(SI): | Upgrade of an existing cable car substation and integration of an e-bus fast charger | <input type="checkbox"/> |
| Pilsen
(CZ): | Integrating a buffer storage into the trolleybus network | <input type="checkbox"/> |

Please briefly describe your area of interest with regard to EfficienCE pilot actions and how the proposed take-up/replication of an EfficienCE pilot action would affect your public transport system and your city in terms of financial, environmental, economic, etc. impacts (what are the specific expectations from participation in the EfficienCE User Forum?).

This description should make clear why your application should be selected and clearly present your commitment to continue the take-up process. (max. 1000 words)

Please sign and attach the [EfficienCE Declaration](#) to your application (Annex I) and add excerpts of supporting planning documents (Annex II), if available. Please return your complete application to m.damerau@rupprecht-consult.eu or margrit.beier@leipzig.de by 16 March 2020.

If your application is successful, a memorandum of understanding (attached as part of the application package) must be signed on behalf of your authority/company. For further information or enquiries please do not hesitate to contact us.

ANNEX I	Signed EfficienCE Declaration
ANNEX II	Excerpts of relevant existing planning documents (in any CE language), e.g. SUMP, SEAP, e-mobility strategy, public transport development strategy
